

RON ERNO MEMORIAL

Along Beautiful Lake Minnewaska

| POSTPONED |

Due to the concern surrounding the coronavirus and the CDC's recommendation of no events of 50-plus people for next couple of months, we've made the decision to postpone the Ron Erno Memorial Minnewaska Warm Up, originally scheduled for Saturday, May 2nd.

This decision was not taken lightly, but our priority lies with the safety of our running community - participants, observers, and volunteers alike.

Thank you for your understanding.
