

RON ERNO MEMORIAL

Along Beautiful Lake Minnewaska

2020 | CANCELLED | 2020

In light of the increasing concerns around coronavirus (COVID-19), we have made the difficult decision to cancel the Ron Erno Memorial Warm Up, originally scheduled for Saturday, May 2nd. While we are disappointed that we are unable to provide the experience this year, we recognize that continuing to host the event could contribute unnecessary risks to participants, staff, and the community.

This decision was not taken lightly, but our priority lies with the safety of our running community - participants, observers, and volunteers alike.

Thank you for your understanding and please check back for information regarding race day in 2021
